## **Foreign Language Courses for Group 4: Cultural Studies Electives**

These are advanced courses offered by the foreign language departments and taught in foreign languages (either as the language of instruction or working with foreign language course materials). These courses are eligible for credit as Group 4: Cultural Studies electives. They also count as demonstration of facility with a foreign language in an advanced foreign language course for the purpose of completing the foreign language requirement. Please contact the IR coordinator at [irm@einaudi.cornell.edu](mailto:irm@einaudi.cornell.edu) if you find a foreign language course that you believe would serve as a Group 4: Cultural Studies elective that is not listed here.
