INTERNATIONAL RELATIONS MINOR
Spring 2016 Course List

Please Note:

This list includes the most commonly taken courses, but not all possible electives, for Groups 1-4. If you are interested in a course that you believe satisfies the IR Minor requirements, please see the administrative coordinator, Diego Fossati (during office hours or by appointment at irm@einaudi.cornell.edu). Please bring along the course description and the syllabus if possible.

To recall, the course requirements for the IR Minor are a total of 8 courses:

Option A:
1. One core course from each of groups 1, 2, 3, and 4.
2. One elective from each of groups 1, 2, 3, and 4.

Option B:
1. One core course from each groups 1, 2, 3, and 4.
2. One elective from either group 1 or group 2.
3. One elective from each of groups 3 and 4, and one additional elective from either group 3 or group 4.

Core courses listed here for each group are what are available this semester. Examples of possible elective courses are listed for Groups 1-4. These do not include all possible electives. If you are interested in a class that is not listed on this or prior course lists but is comparable to one that is, please bring it to the IR Coordinator’s attention to assure that counts as an IR elective before you enroll. To get an idea of what other courses have been accepted as electives in past semesters, please visit our web site and review the Course Lists from previous semesters.
